**Re: Applications for Consent to the Transfer of Control of Licenses from  
Comcast Corporation and AT&T Corp., Transferors, to AT&T Comcast  
Corporation, Transferee, MB Docket No. 02-70**

---

Dear Ms. Dortch:

Betsy J. Brady, representing AT&T Corp., and I, representing Comcast Corporation, met yesterday with Alexis Johns, Legal Advisor to Commissioner Copps, to provide an introductory overview of the above-captioned license transfer application. We outlined the terms of the proposed Comcast-AT&T Broadband merger, reviewed the various public interest benefits that will result, and summarized the Applicants' responses to various contentions filed by commenting parties. The substance of our communications is already fully covered by prior filings in the public record of MB Docket No. 02-70, including most particularly the Public Interest Statement filed February 28 and the Applicants' Reply Comments of May 21. Copies of both pleadings were provided to Ms. Johns.

This letter is submitted pursuant to section 1.1206(b)(2) of the Commission's rules. A copy will also be sent to Ms. Johns. Please let me know if you have any questions.

Sincerely,

James L. Casserly
